Good morning/afternoon,

Thank you for your interest in volunteering in our buildings in Huntley 158. We are eager to welcome back our parents and volunteers to enrich our students' classroom experience while maintaining a safe in-person learning environment for all of our students, staff and community members.

Before entering our buildings, please be mindful of the following safety measures:

- Be mindful of your spacing and appropriate physical distance while assisting students or staff.
- Use good judgment to determine appropriate mask wearing while interacting with students and staff. While masks are not required in Huntley 158 schools, they are an effective mitigation measure to protect those students or staff who may be at a higher risk for COVID-19. Please consider speaking with your child's classroom teacher about appropriate masking strategies ahead of time to ensure the safety and comfort of our students and staff.
- We encourage all volunteers to follow proper hand hygiene and coughing etiquette while in Huntley 158 facilities. Hand sanitizing stations are available in all classrooms and common areas for use in our buildings.
- Stay home if you are not feeling well or exhibiting symptoms in order to protect others. There will be plenty of opportunities in the future to engage and interact with our students and staff.
- Please bring a form of identification (Driver's License, state ID, passport) for our [check-in process](#).

Thank you in advance for your cooperation and partnership in keeping our schools safe. We are looking forward to working with you in our buildings soon. If you have any questions about your expectations as a volunteer or visitor in our building, please reach out to Volunteer Coordinator, Eileen Delahanty ([edelahanty@district158.org](mailto:edelahanty@district158.org) | 847-659-6152) or your building principal.

Thank you!
