

RAIDERS read TOGETHER

Huntley 158's community-wide reading journey is back with an exciting bestseller!

We invite you to follow along with our 2023 reading schedule and uncover the power of kindness, courage, and **WONDER** through the story of Auggie Pullman. Beginning June 5, we invite all Huntley 158 families to join us at the **Huntley Area Public Library at 6:00 p.m. every Monday** to read aloud with some community leaders, students, and special guests. As we follow Auggie's journey, we'll engage in discussions and activities that showcase the power of being kind. Join us and see how small acts of kindness can literally change the world!

Throughout the summer, you'll also have the opportunity to participate in literacy activities, find ways to be kind, and explore our community all along our reading journey. Together, we can **CHOOSE KINDNESS** and make a difference in our Huntley 158 community!
