

2023-2024

Early Childhood Center Handbook

Mission Statement

The purpose of the District 158 Early Childhood Center is to create an educational experience that will provide the foundation for learning by addressing the unique needs of children through experiences and interactions with materials, peers, and adults.

Handbook Disclaimer

The Early Childhood Center defaults to the District 158 elementary school handbook for items not specifically addressed in the ECC Handbook including, but not limited to, discipline policies, harassment and bullying, internet/technology, and student records.

The elementary handbook is available on each elementary school website under the “Parents” tab.

To ensure continued compliance with federal, state or local regulations, the rules, guidelines, and Board Policies published in this handbook are subject to review and may be amended during the year without notice as necessary for the routine operation of the school or District. Any amendment(s) made during the year will be posted to the school website.

Nothing in this handbook shall be construed in a manner contrary to Board of Education Policies, State, or federal law.

WELCOME

About The Early Childhood Center

The District 158 Early Childhood Center (ECC) serves preschool students ages 3-5 who qualify for services based on developmental screenings and at-risk criteria set by the *Preschool for All Children* Illinois State Grant Program. The program also meets the needs of students who have qualified for an Individualized Education Program (IEP) under the Individuals with Disabilities Education Act (IDEA).

ECC has classrooms for students who have qualified as at-risk under *Preschool for All Children*, Early Childhood Special Education classes, and classes that blend students identified as at-risk and students with an IEP.

Related services such as social work, speech and language, occupational therapy, physical therapy, hearing and vision support, and orientation and mobility are available for students who qualify. These services are integrated into the classroom setting whenever possible or through outpatient services when appropriate. All program placements are determined by the school team with the parent and follow the Illinois State Board of Education (ISBE) procedures and requirements.

ECC classroom programs operate 5 days per week for 2.5 hours per day. Two sessions are provided each day. The District 158 Early Childhood Center currently serves more than 280 students.

Home and School Communications

What you can expect:

- Parent/Teacher Conferences are conducted two times (2) a year - once in the Fall and once in the Spring. See *ECC Schedule of Events* on Page 3 for dates.
- Report cards are distributed two (2) times per year (fall and spring)
- Classroom newsletters and calendars
- Notification of upcoming Early Childhood Center events
- Parents may communicate with staff through email, phone calls, or notes. Please allow time for the staff to respond, as all communication will be done during work hours and non-student attendance times, as to not interfere with direct instruction.
- Parent Education Days are held on seven (7) days throughout the school year. There is no student attendance on these days. See *ECC Schedule of Events* on Page 3 for dates.
- Please visit our [website](#) and find us on Facebook at District 158 Early Childhood Center.

Parent Education Days

A school and family partnership is integral to the success of our students. Each school year, seven days are utilized for our Parent Education Days per the *Preschool for All Children* Illinois State Grant Program we receive from the Illinois State Board of Education (ISBE).

On Parent Education Days, there is no school attendance for ECC students; instead we offer educational workshops for families to explore topics with the ECC staff to enhance the development of our students. Child care is provided. We also provide an activity to encourage families to engage with other families and ECC staff in a variety of locations throughout the community. Parent Education Days are voluntary.

Parent Notifications and Permissions

There will be times throughout the school year when parents will be asked to give permission for activities or indicate attendance at activities such as field trips, family activities, and Parent Education Days. Parents are asked to indicate participation at the time responses are due. We do not want to disappoint parents and children when late responses are received and arrangements have been made and cannot be changed.

GENERAL INFORMATION AND NOTICES

Accommodating Individuals with Disabilities

Individuals with disabilities will be provided an opportunity to participate in all school-sponsored services, programs, or activities. Individuals with disabilities should notify the Superintendent or Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Animals on School Property

In order to ensure student health and safety, animals are not allowed on school property except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the Principal in the case of an educational opportunity for students, provided that: (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

Equal Educational Opportunities

Equal educational opportunities shall be available for all students without regard to color, race, nationality, religion, sex, sexual orientation, ancestry, age, physical or mental disability, gender identity, status of being homeless, immigration status, order of protection status, actual or potential marital or parental status, including pregnancy. Any parent may file a discrimination grievance by using Board policy 2:260, *Uniform Grievance Procedure* or by completing and submitting a [Formal Public Complaint form](#).

Video and Audio Monitoring System

A video and audio monitoring system is in use on school buses and a video monitoring system is in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel.

Weapons Policy

It is the policy of District 158 to prohibit the possession or the assistance of possession of weapons on school grounds, at any school activity, on school transportation vehicles, or in any designated school transportation waiting area.

EMERGENCY COMMUNICATIONS

Emergency Notifications

District 158 will send out notification alerts in critical situations, such as emergency weather closures, crisis incidents, and other incidents affecting school operations through the SwiftReach SwiftK12 program. This system integrates with PowerSchool, and parents can manage their contact information and preferences through the PowerSchool Parent Portal. For more information, visit the Safety and Security webpage and select “Alerts” from the dropdown menu or click [Managing Your Information and Preferences in SwiftK12](#) to view instructions.

School Day Cancellations

The Superintendent is authorized to close school(s) in the event of hazardous weather or other emergency that threatens the safety of students, staff members, or school property. Should the need to close occur, parents will be notified via SwiftReach SwiftK12, the District’s automated messaging system. Information will also be posted to the District 158 website at www.huntley158.org. In the event school is closed, all after-school activities are also cancelled.

ENROLLMENT INFORMATION

All students who attend and/or receive services through the District 158 Early Childhood Center have been screened or evaluated and have qualified to attend.

Once a child qualifies to attend, they must be registered with a birth certificate, proof of residency, and provide a current physical with an immunization record completed within the last 12 months before they will be permitted to attend.

Birth Certificate Requirement

Illinois law requires at registration, or within 30 days of registration, a certified copy of the student's birth certificate to be on file with the District. If a certified copy is not available at the time of registration, the District must be furnished at a minimum: the student's full legal name and date of birth. If a person enrolling a student fails to provide a certified copy of the student's birth certificate within 30 days of registration, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless the person complies within 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Superintendent or designee shall refer the case.

Custody Arrangements

In order for school personnel to be aware of any custody arrangements, please provide legal custody/divorce settlement documents to the school prior to the beginning of the school year or as situations change.

Waiver of Fees

Waiver of student fees will be granted to those students who qualify. Parents may apply for waiver of school fees by completing and submitting the [Application for Fee Waiver form](#) and proof of current income.

Please note: In order to be eligible for a waiver of student registration fees, applications must be received *within thirty (30) days of the date your child enters school for the current school year*. Fees will not be waived until the Application for Fee Waiver form is received, reviewed and approved. If approved, other fees incurred after the date the application is received will be eligible for a fee waiver.

Board Policy 4:140, *Waiver of Student Fees*, is available on the District website and a copy may be obtained by calling the District 158 Administrative Office at (847) 659-6158.

Student Placement

Student placement is a function of building administration. Teachers work together with building administrators to place students in classrooms. Parents may provide written comments or information pertaining to their child's learning needs and session preference by May 1 for the following school year.

SCHOOL AND COMMUNITY RELATIONS

Care Solace

We are committed to the well-being of our students, staff and families to create a safe and healthy learning environment. In support of this ongoing commitment, Huntley 158 has partnered with [Care Solace](#) to provide an additional layer of care for our community.

If students, staff or their family members are looking for help with mental health or substance use, Care Solace can help you quickly find treatment options matched to your needs regardless of the circumstance. Care Solace is a complimentary and confidential service provided to students, staff, and their families by District 158. Care Solace's team is available 24 hours a day, 7 days per week, 365 days a year, and can support you in any language.

If you would like to use Care Solace to help find a provider:

- Call 888-515-0595
- Visit www.caresolace.com/huntley and either search on your own OR click "Book Appointment" for assistance by video chat, email, or phone.

Care Solace is not an emergency response service or mental health services provider. In the event of a life threatening emergency, please call 9-1-1 or the National Suicide Hotline 1-800-273-8255.

Faith's Law Notifications - Employee Conduct Standards

School districts are required to include in their student handbook notification of the District's Employee Code of Professional Conduct. These standards, in part, define appropriate conduct between school employees and students.

Board Policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, is available on the District website and a copy may be obtained by calling the District 158 Administrative Office at (847) 659-6158.

Gun-Free, Tobacco, Alcohol, and Drug-Free Zones

All District 158 buildings and grounds are gun-free, tobacco, alcohol, and drug-free zones. Cigarettes and alternative nicotine products are not permitted. This includes all after school activities and school-related events.

Mandated Reporter

All school personnel, including teachers, administrators, and support staff members, are required by law to immediately report any and all suspected cases of child abuse or neglect to the Illinois Department of Children and Family Services (DCFS).

Parent Teacher Association

The Parent Teacher Association (PTA) is a partnership that brings people together to share thoughts and ideas about programs and activities that benefit students and their families. The PTA works with staff to help promote school goals and bring a sense of community to our schools. For further information, please visit the [Chesak-Martin PTA's website](#).

Pesticide Application Notice

District 158 maintains a registry of employees and parents of students who have registered to receive written or telephone notification prior to the application of pesticides to school grounds. To be added to the list, please contact the Director of Communications and Public Engagement at (847) 659-6158.

Notification will be given before application of the pesticide. Prior notice is not required if there is imminent threat to health or property.

Sex Offender & Violent Offender Notification Law

State law prohibits a convicted child sex offender from being present on school property when children under the age of 18 are present, except in the following circumstances as they relate to the individual's child:

1. To attend a conference at the school with school personnel to discuss the progress of their child.
2. To participate in a conference in which evaluation and placement decisions may be made with respect to their child's special education services.
3. To attend conferences to discuss issues concerning their child, such as retention or promotion.

In all other cases, convicted child sex offenders are prohibited from being present on school property unless they obtain written permission from the Superintendent or Board.

Any time a convicted child sex offender is present on school property for any reason – including the three reasons above – the individual is responsible for notifying the Building Principal upon arrival and upon departure. The convicted child sex offender must remain under the direct supervision of a school official at all times while in the presence or vicinity of children. A violation of this law is a Class 4 felony.

In addition, State law requires schools to notify parents that information about sex offenders and violent offenders against youth is available to the public on the Illinois Department of State Police (ISP) website. The ISP website contains the following:

- Illinois Sex Offender Registry, <https://isp.illinois.gov/Sor>
- Illinois Murderer and Violent Offender Against Youth Registry, <https://isp.illinois.gov/MVOAY>
- Frequently Asked Questions Concerning Sex Offenders, <https://isp.illinois.gov/Sor/FAQs>

Visitor Guidelines

The safety and security of your children is our number one concern. In an effort to maintain a safe, disruption free educational environment for all students, we ask all visitors to use the same procedures when entering the building. The District expects mutual respect, civility, and orderly conduct among all individuals on school property or at a school event.

- All schools are accessible only via the secured main entrance (Door #4).
- All visitors must press the call button outside the main entrance door (Door #4), state their purpose for visiting, and wait to be buzzed into the building.
- All visitors must provide valid ID and be scanned into the Raptor Visitor Management System which will run an instant background check. You will be issued a visitor pass that should be worn visibly. At the conclusion of your visit, you will need to stop in at the office, sign-out and turn in your visitor's pass.
- Visitors with histories that appear on the Raptor check will be either denied access to the building, limited to conducting business in the front office, or will be provided escorted access to other parts of the building as is necessitated by circumstances and/or applicable law.
- All visits to classrooms must be pre-arranged with the teacher.
- Conferences will be held outside of school hours or during the teacher's conference/preparation period.

Volunteers

District 158 is fortunate to have extensive community and parental involvement. Throughout the school year, there are many opportunities to volunteer in the schools. In keeping with District guidelines, siblings are not permitted to accompany volunteers during volunteer activities. We appreciate everyone's understanding.

SCHOOL GUIDELINES

Bathroom Procedures / Toilet Training

Students attending the ECC program are in various stages of toilet training. If toilet training is being worked on at home, we will try to accommodate your child by using the same strategies at school while also encouraging independence.

If needed, we will assist your child with a change when pull-ups or diapers are soiled or the child indicates a need to be changed. Your child's teacher may provide toilet training suggestions and/or information upon request.

All pull-ups, diapers, and wipes will be provided by the parent. Please be sure that your child attempts to go to the bathroom and has a clean, dry pull-up or diaper before getting on the bus or coming to school.

Clothing and Hygiene

Since we do many activities that can be messy or that require the students to participate while seated on the floor, we suggest all students wear washable “play” clothing. *It is best that students wear gym shoes so they can participate in gross motor time each day, indoors or outside, weather permitting.*

As the weather changes and children are wearing more clothing, we encourage them to dress and undress themselves. Parents can help by teaching them to put on and remove outer clothing such as coats, hats, mittens, etc. The more practice they have, the better they can accomplish these tasks independently.

A student’s clothing and hygiene must not disrupt the educational process or compromise standards of health and safety. Parents will be contacted in situations where student dress or hygiene presents a problem.

Party Invitations and Birthday Acknowledgements

Invitations to private parties (birthdays, holidays, etc.) should be distributed outside of school. These types of invitations will only be distributed at school if the entire class is invited to the private party. Birthday acknowledgements (balloons, flowers, etc.) will not be sent to classrooms and cannot be sent home on the bus.

Respect for Property

Students are to respect the property of others including that of students, staff and school. School issued materials such as textbooks, tablets, lab materials, etc., are on loan to students. Any damage or replacement costs are the parent’s responsibility. Student storage areas are school property and are to be used only for the purpose of storing books, coats, boots, etc. These areas are subject to search by school authorities.

Snacks and Foods from Home

Snacks are provided for all ECC students through the Preschool For All Children grant. All snacks from home should be nutritious.

Treats for Classroom Celebrations

Healthy food and beverage options should be made available for classroom celebrations. Candy and pop are discouraged, and gum is not allowed. When bringing treats for classroom celebrations, please remember that District 158 requires all treats be commercially prepared and packaged. The distribution of edible birthday treats is not permitted in schools.

A list of healthy food and beverage options for school functions along with ideas for classroom rewards can be found in the [District’s School Wellness Plan](#).

PARENTS’ RIGHTS NOTIFICATIONS

School Visitation Rights for Parents

The School Visitation Rights Act permits employed parents, who are unable to meet with educators because of a work conflict, the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences, academic meetings and behavioral meetings. Letters verifying participation in this program are available from the school office upon request.

ATTENDANCE

Attendance is crucial for students to succeed and receive the full benefits of the ECC program prior to entering Kindergarten. We will closely monitor all absences and hope for the cooperation of parents in improving school attendance.

Absences

If your child will be absent because of illness, you are required to call the absentee line by the beginning of the school day and report the absence each day. If your child is absent and we do not receive a call, we will call you at home or your place of employment to verify the absence. The purpose of this procedure is to determine if your child has arrived safely to school. School policy requires a written excuse from a doctor for any student who is absent from school due to illness for three or more consecutive days for an absence to be considered excused.

Acceptable Absences

Examples of absences that may be excused include, but are not limited to:

1. Illness of the student
2. Mental or Behavioral Health Days – Students may utilize up to five mental or behavioral health days. After use of the second mental or behavioral health day, the student may be referred to the appropriate school support personnel.
3. Medical or dental appointments (with a note from the doctor or dentist)
4. Death in the immediate family
5. Family emergency*
6. Religious holiday observance
7. Court appearance
8. A student will be excused for up to 5 days in cases where the student's parent is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
9. School sponsored activity

* "Needed at home" is not a sufficient excuse. The note from the parent must indicate the reason for the emergency requiring the student to miss school.

Unacceptable Absences

Examples of absences that cannot be excused include, but are not limited to:

1. Errands which could be scheduled when a student is not required to be in school
2. Oversleeping
3. Car trouble or missing the bus

The Illinois School Code (Section 26.2A) does NOT grant parents the authority to excuse their child from attending a class or the entire school day. The school is responsible for determining whether or not an absence is excused or unexcused.

Absences and Participation in After School Activities

A student must be present at school a minimum of one and one half hours (1.5) to be eligible to participate in after school activities such as concerts, presentations, trips, Parent-Tot events, etc. If a student goes home ill during the day, that student becomes ineligible for participation in any after school activities that day.

Prearranged Absences

For planned absences, such as family vacations during the school year, parents should notify the teacher and office in writing in advance. Such absences are discouraged. Please review the District [calendar](#) to view days of non-attendance and if possible, schedule appointments and vacations on these dates.

Release Time for Religious Instruction/Observation

A student will be released from school, as an excused absence, because of religious reasons, including to observe a religious holiday, for religious instruction, or because the student's religion forbids secular activity on a particular day or time of day. The student's parent must give written notice to the Building Principal at least five (5) calendar days before the student's anticipated absence. Students excused for religious reasons will be given

an opportunity to make up any missed work, including homework and tests. A parent may request that a student be excused from physical activity in PE during a period of religious fasting, by notifying the physical education teacher in writing.

Attendance Monitoring Program

The attendance monitoring program is divided into three (3) levels of absenteeism:

Level A – 15 Full Days Absent

- At this level, a letter will be sent to the parents notifying them of the dates of the absences and inquire if there is anything the school can do to assist in getting their child to school.
- We will also ask if the absence will be prolonged due to illness, a hospital stay, etc., that the school be notified or a doctor's note provided for any absences of three or more consecutive days.
- This is not a punitive letter, but one of concern on our part.

Level B – 20 Full Days Absent

- A second letter will be sent once again advising the parents of the dates missed and how a continued pattern of absenteeism may affect their child's education.
- If there is an absenteeism pattern, a conference with the school administration will be required. If there is not an absenteeism pattern, the conference will be waived and only the letter sent.
- If absences to date are found to be unexcused, a meeting may be scheduled to discuss the child's absenteeism and the impact on the child's education. The school will also provide any necessary support.

Level C – 25 Full Days Absent

- A registered letter will be sent to the parents notifying them of the dates of the absences. This letter will advise the parents that they must schedule a meeting with the school administration to discuss their child's absenteeism and the impact on their child's education. The school will also provide any necessary support.

Tardy to School

It is very important that children arrive at school on time. The educational process is disrupted for all concerned when this does not occur. When tardy to school, a parent must report to the Main Office to sign the child in, and wait until the child can be taken to class.

Excused tardies are dentist, doctor, eye doctor appointments, etc. Unexcused tardies include oversleeping or missing the bus.

BEHAVIOR EXPECTATIONS & DISCIPLINE

Aggressive Behavior

Illinois law requires school districts to notify the parent of a child who demonstrates behaviors that put the student at risk for aggressive behavior. Board Policy 7:190, *Student Behavior*, prohibits a student while at school or a school-related activity from: (1) engaging in any kind of behavior that causes physical or psychological harm to someone else, and/or (2) urging other students to engage in such conduct.

Discipline of Special Education Students

The District will comply with the Individuals With Disabilities Education Improvement Act of 2004 and the Illinois State Board of Education's Special Education rules when disciplining special education students. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of the student's disability.

EDUCATIONAL PROGRAMS

Assessments

ECC has adopted the Teaching Strategies Gold Assessment system. All children are monitored for progress in social/emotional, physical, language, cognitive, literacy, and mathematical skills. Progress is reported to parents at least two times per year. Additional assessments may be used to monitor progress.

Curriculum

The Creative Curriculum model is implemented and aligns with the Illinois Early Learning and Development Standards. Four developmental areas are addressed: social/emotional, physical, cognitive, and language. These areas of development are most effectively taught when students are engaged in activities with their peers, adults, and in natural environments.

Daily Schedule

A daily schedule and routine provide a basic consistent structure for each day to meet children's individual needs and enhance the development of each child. A good schedule for children of preschool age offers balance between active and quiet times; large group, small group and individual activities, indoor and outdoor play times; and times for children to choose their own activities as well as times for teacher-directed tasks.

A daily schedule works best when it is also developmentally appropriate, flexible and, at times, spontaneous to meet individual and group interests. The ECC schedule includes the following components, not necessarily in this sequence, in every classroom.

Typical Daily Schedule

- Arrival routine
- Whole group or circle time
- Snack as a whole group or during choice time
- Choice time includes free play in interest areas, small groups and/or individual assessments, and snacks may be included
- Gross motor activities outside on the playground or inside in the multipurpose room, classroom, or Motor Room
- Story time, music, finger plays
- Arts and crafts activities
- Bathroom times are included as needed for toileting and hand washing
- Departure routine

Multi-Tiered Systems of Support

Multi-Tiered Systems of Support (MTSS) is a multi-tier approach for early identification and support of students with learning and behavior needs. The MTSS process begins with high-quality instruction and universal screening of all students. Students with identified needs are provided with interventions at increasing levels of intensity to accelerate their rate of learning. These interventions may be provided by a variety of personnel, including general education teachers, special educators, paraprofessionals, and specialists. Progress is closely monitored to assess both the learning rate and level of performance of individual students. Educational decisions about the dynamics, intensity and duration of interventions are based on individual student response to instruction. MTSS is designed for use when making decisions in both general education and special education, creating a well-integrated system of instruction and intervention guided by student outcome data.

The State of Illinois provides districts and schools with a framework for using MTSS to determine a student's eligibility for and entitlement to special education services. Effective, research-based core instruction, interventions, and assessment plays a critical role in this process and data from the core curricula and instruction, as well as interventions, are used in the eligibility determination process. If the intervention plan shows the student demonstrates performance discrepancy as indicated by national, state and local assessments AND does not demonstrate educational progress through those established national, state or local norms, the team will then refer the student to the Individual Problem Solving Team to discuss the process of special education entitlement.

Section 504

Students with disabilities who do not qualify for an Individualized Education Plan (IEP) under the Individuals with Disabilities Education Act and Illinois School Code may qualify for services under Section 504 of the Rehabilitation Act of 1973 if the child: (1) has a physical or mental impairment that substantially limits one or more major life activities, (2) has a record of a physical or mental impairment, or (3) is regarded as having a physical or mental impairment. Any parent who is deaf or does not typically communicate using spoken English and who participates in a Section 504 meeting with a District representative shall be entitled to the services of an interpreter. Parents seeking information about Section 504 rights and services should contact the Principal.

Social/Emotional Development

Socialization is an essential part in learning. All young children need to develop a sense of security and safety in the classroom environment as well as respect for themselves and others.

The Early Childhood Center uses the Pyramid Model. The Pyramid Model is a social and emotional learning framework that—when implemented with fidelity—promotes young children's healthy development, and prevents challenging behaviors. The Model focuses on building adults' skills so that they can support children's social and emotional health, through strengthening relationships and directly teaching emotional literacy, self-regulation, listening, friendship skills, and basic problem solving.

Through positive interactions in a caring atmosphere, the following strategies will be utilized:

- Demonstrate and model positive interactions
- State classroom rules frequently, often using pictures to illustrate
- Set limits and consequences
- Give choices whenever possible
- Redirect children to appropriate and positive activities
- Use consistent strategies

If a situation arises in which interaction by an adult is necessary to maintain an ongoing safe and secure environment, some examples of consequences that may occur include but are not limited to:

- Reminder of appropriate behavior
- Use consistent strategies
- Redirection to another activity
- Time away from an activity and/or peers within the classroom
- Removal of a child or children from the classroom for safety reasons (with adult supervision and support)

All strategies are based on individual needs of the child and the learning situation. For students with a Behavioral Intervention Plan, behaviors will be addressed as outlined in their plans.

While the District has suspension and expulsion procedures as outlined in Board Policy 7:190, *Student Behavior*, Board Policy 7:200, *Suspension Procedure*, and Board Policy 7:210, *Expulsion Procedure* per Public Act 100-105, the Early Childhood Center does not utilize suspension or expulsion measures as behavioral consequences.

HEALTH SERVICES

Health Office Staff

The health program is designed to maintain health and prevent serious injury or illness. A Registered School Nurse is employed by the District in each school to be on duty when children are present during school hours.

Accident, Illness or Injury Procedure

When a student becomes ill at school, the student will be taken to the Health Office. The nurse will assess the seriousness of the illness or injury and administer first aid. If warranted, parents will be notified. Possible outcomes after being assessed by the nurse, the student: (1) may return to class, (2) may be picked up by the parent, or (3) may be sent to the hospital via EMS.

If the student has a fever of 100.4° F or greater, the student **MUST** be picked up from school. Other situations where a student must be picked up from school include, but are not limited to: vomiting, diarrhea, open lesions that cannot be covered, lethargy, serious head injuries, undiagnosed persistent or disruptive cough, eye drainage or redness, undiagnosed or new rashes, and serious limb injuries. These situations will be given a “nurse home” attendance code. Parents are required to sign their child out in the office before leaving the building.

If an accident or illness merits being excused from school and/or physical activity/gross motor time, a doctor’s note is required that specifies when the student may return to normal activity. The School Nurse will not be able to write a note to excuse the student from gross motor time. A physician's release to return to gross motor time is required whenever a doctor’s note has been issued for a concussion or other reason.

Administering Medication to Students

Every attempt should be made to schedule medication administration outside of school hours. However, if under exceptional circumstances a child is required to take prescribed medication during school hours, all medication shall be transported to and from school by a parent. Students are not to transport or have medications in their possession except for the self-administration of diabetes medication, asthma medication, pancreatic enzymes, or epinephrine auto-injectors, as outlined below.

The School Nurse, principal, or designee will administer the medication in compliance with the following regulations:

Prescription Medication

- A [Request for Administration of Medication Form](#) (available on the District website) signed by the parent, and *signed by the medical doctor*, renewed annually at the beginning of the school year.
- The original prescription bottle must be brought to school by the parent (children may NOT carry the medication to school).
- The prescription bottle label must contain the student’s name, name of medication, time to be administered, dosage, possible side effects and termination date of administering the medication.
- All student prescription medication must be stored in an appropriate locked cabinet in the Health Office, accessible to authorized personnel only.

Non-Prescription Medication

- A [Request for Administration of Medication Form](#) (available on the District website) signed by the parent, and *signed by the medical doctor*, renewed annually at the beginning of the school year. Some non-prescription medications may be supplied by the school – please check your school for specifics.
- The medication needs to be labeled with the student’s name and brought to school by a parent.
- All student non-prescription medication must be stored in an appropriate locked cabinet in the Health Office, accessible to authorized personnel only.

Undesignated Epinephrine Auto Injectors (Epi-Pens)

The Emergency Epinephrine Act, P.A. 97-0361 (the Act) became law in Illinois in 2011. The Act permits schools to stock a supply of Epinephrine Auto-Injectors, authorizes physicians to provide school districts and non-public schools with a prescription to obtain the emergency auto-injectors from local pharmacists, and gives School Nurses or other trained personnel the authority to provide/administer the epinephrine to any person (including parents, visitors, and guests) the School Nurse believes in good faith is having an anaphylactic reaction. Undesignated epi-pens are available in all schools during school hours. The standing order and emergency auto-injectors are kept in the Health Office.

Anaphylaxis Prevention

While it is not possible for the school or District to completely eliminate the risks of an anaphylactic emergency, the District maintains a comprehensive policy on anaphylaxis prevention, response, and management in order to reduce these risks and provide accommodations and proper treatment for anaphylactic reactions. Parents and students who desire more information may contact the School Nurse.

Board Policy 7:285, *Anaphylaxis Prevention, Response, and Management Program*, is available on the District's website or a copy can be obtained by calling the District 158 Administrative Office at (847) 659-6158.

Communicable Diseases

Please notify the school office as soon as possible if your child contracts any contagious disease. If such a disease is contracted, the child must be excluded from school. Communicable diseases such as chicken pox, German measles, impetigo, influenza, measles, mumps, scarlet fever, infectious mononucleosis, norovirus, coronavirus, and strep throat are contagious before they reach a stage where they can be recognized and diagnosed. Certain communicable diseases will require a doctor's release for the student to re-enter school or may require documentation from the County Department of Health to re-enter school or school related activities. Please check with the school Health Office for specifics.

Concussions

If a student sustains a concussion, please notify the Health Office. The school will support a student with a concussion working with the student's physician and by providing a Return-to-Learn protocol. The student will check in with the School Nurse daily to evaluate symptom severity.

The Illinois Department of Public Health (IDPH) has adopted the U.S. Centers for Disease Control and Prevention's (CDC) *Heads Up* campaign brochures which include concussion fact sheets for parents available on the [IDPH website](#).

A physician's release to return to gross motor time is required whenever a doctor's note has been issued for a concussion or other reason.

Emergency Contact Information

There are times when a student's illness or injury may require transportation to the hospital. The local rescue squad will transport the student to the appropriate medical facility. Every attempt will be made to notify the parent before transport. In order to contact parents quickly, it is required that we have complete and current information in PowerSchool on the following items:

- Your home address and telephone number
- Working status of parent(s), including the name of the company, the address and phone number where you can be reached
- The name and phone number of a neighbor, friend, or relative who is willing to attend to your child in an emergency.

It is the responsibility of the parent to notify the Registration Department at studentupdate@district158.org of any changes in the aforementioned items.

Epilepsy or Seizure Disorder

Parents of students who are diagnosed with epilepsy or a seizure disorder must submit a [Seizure Action Plan](#) (available on the District website) at the beginning of each school year.

Life-Threatening Food Allergies or Life-Threatening Chronic Illnesses

State law requires District 158 to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and State rules.

Parents of students with food allergies should provide a [Food Allergy Emergency Action Plan and Treatment Authorization](#) form (available on the District website) completed by the student's physician and submitted every year at the beginning of the school year.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your child has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the support needed for your child to access their education effectively. While not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504, we may be able to appropriately meet a student's needs through other means.

Physical Examination and Immunization Requirements

In accordance with the Illinois Department of Public Health (IDPH) and the Illinois School Code, physical examinations are required for all students entering Early Childhood/Preschool, Kindergarten, sixth grade and ninth grade, and students transferring from out-of-state. The physical examination must include a record of all immunizations the child has received.

Every child who enters Early Childhood/Preschool, Kindergarten, sixth or ninth grade and every child who enters an Illinois school for the first time, irrespective of grade, must present evidence of immunization as prescribed by the rules and regulations of the Illinois Department of Public Health (IDPH) and the Illinois State Board of Education (ISBE).

Students failing to meet the required immunizations against measles, tetanus, diphtheria, poliomyelitis, varicella, pertussis (whooping cough), meningitis, rubella, mumps, and Hepatitis B, will be excluded from all District schools. There are two exceptions to this State law:

- Children whose parents object to immunizations on religious grounds must present the IDPH's [Certificate of Religious Exemption](#) form to the Superintendent or designee. Upon receipt of the form, the Superintendent or designee shall immediately inform the parent of exclusion procedures if there is an outbreak of one or more diseases from which the student is not protected.
- Per Illinois School Code, if the physical condition of the child is such that any one or more of the immunization agents should not be administered on medical grounds, the examining physician responsible for the performance of the health examination shall endorse such fact upon the health examination form.

All physical and immunizations must be submitted prior to the first day of school or students will not be allowed to attend. The [Illinois Certificate of Child Health Examination](#) form is available on the District website.

Vision and Hearing Screenings

Vision and hearing screenings are done as mandated for preschool children. Parents will be notified of the screening days. Children are not required to undergo a vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating an eye exam has been administered within the previous 12 months and that evaluation is on file at the school. A vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor.

Please Note: Vision and hearing screenings are not an option. If a vision and a hearing examination report are not on file at the school for your child, we are required to conduct the screening(s).

When To Keep Your Child at Home

Please keep your child at home during an illness to decrease the number of students who are exposed to the illness. Students who have been running a fever (100.4° F or greater) should be kept home fever-free for 24 hours before they return to school unless guidelines from the CDC or IDPH increase this timeframe. Students should also remain at home for 24 hours after vomiting has stopped and the student can tolerate a solid diet, and/or until diarrhea-free for 24 hours.

RIGHTS AND RESPONSIBILITIES

Uniform Grievance Procedure

Any individual may file a sex equity, sexual harassment, Section 504 disability, or other discrimination complaint by using the procedure described in Board Policy 2:260, *Uniform Grievance Procedure*, a copy is available in the District Administrative Office, on the District website, or by contacting any of the individuals named below.

Concerns or complaints related to potential violations should be directed to:

Nondiscrimination Coordinators/Title IX Coordinators:

Dr. Adam Zehr	Mrs. Karrie Baughman
650 Dr. John Burkey Drive	650 Dr. John Burkey Drive
Algonquin, IL 60102	Algonquin, IL 60102
(847) 659-6158	(847) 659-6158

Complaint Managers:

Dr. Amy MacCrimble	Mrs. Karrie Baughman	Mrs. Dede Gill	Mr. Mark Altmayer
650 Dr. John Burkey Drive	650 Dr. John Burkey Drive	650 Dr. John Burkey Drive	650 Dr. John Burkey Drive
Algonquin, IL 60102	Algonquin, IL 60102	Algonquin, IL 60102	Algonquin, IL 60102
(847) 659-6158	(847) 659-6158	(847) 659-6158	(847) 659-6158

A student may appeal the Board's resolution of a complaint filed to the Regional Superintendent of Schools, and thereafter, to the State Superintendent of Education.

For concerns or complaints against District 158 or its employees other than a discrimination complaint, the parent is encouraged to first contact the appropriate staff member directly. If the problem is not resolved, the parent should then contact the Building Principal. If the problem remains unresolved, the parent should then contact the District Administrative Office.

SAFETY AND SECURITY

All District operations, including the education program, shall be conducted in a manner that will promote the safety and security of everyone on District property or at a District event. As such, District 158 has developed and maintains a comprehensive safety and security plan that includes, without limitation:

1. An emergency operations and crisis response plan addressing prevention, preparation, response, and recovery for each school;
2. Provisions for a coordinated effort with local law enforcement, fire officials, and emergency medical services personnel;
3. A school safety drill plan;
4. Instruction in safe bus riding practices; and
5. A clear, rapid, factual, and coordinated system of internal and external communication.

Campus Resource Officers

District 158 has established a Campus Resource Officer (CRO) program in partnership with the Algonquin, Huntley, and Lake in the Hills Police Departments. As part of an intergovernmental agreement, this partnership helps create "effective and positive school student discipline that: (1) is part of District 158's larger effort to

address school safety and climate, (2) includes proactive and restorative methods rather than only punitive, and (3) is clear, consistent and equitable.”

Each CRO is equipped with a body worn camera as provided by law in accordance with Police Department policies. The CRO’s body worn camera will not record during the school day unless and until the CRO has reason to believe that a crime has been or is in the process of being committed. Further, in the event a CRO is in a hostile situation or perceives that a complaint will be raised, at the CRO’s discretion, the body worn camera can begin recording.

Emergency Procedure Terms

- **Lockdown:** A lockdown is declared when, in the opinion of an administrator, Campus Resource Officer, or staff member, a situation exists that threatens the safety of students and staff and requires them to take appropriate protective action – locking down in a classroom, hiding from the danger or safely getting out of the building.
- **Hold in Place and Teach:** This protocol is enacted when there is a situation *inside the building* that requires immediate action for all persons to remain in place. It is non-life threatening to the general population and to the school.
- **Secure the Building and Teach:** This protocol is enacted when there is a situation *outside the building* that requires all persons to remain inside the school building.
- **Severe Weather/Shelter in Place:** This protocol is enacted when there is a severe weather/tornado warning indicated in the area of the school(s). All staff and students, inside or outside of the school, will be advised to move to their designated safe areas within the school.

Should a severe weather/tornado warning occur at dismissal time, students will be kept in the building until conditions improve or an all-clear signal is issued.

In the event buses are in transit and a severe weather/tornado warning is announced, buses will go to the closest school building or predetermined location based on movement of the potential weather.

- **Tornado Watch:** A tornado watch is used when conditions are favorable for tornadoes to form.
- **Tornado Warning:** A tornado warning is used when a tornado funnel is signed or indicated by weather radar. Shelter should be taken immediately.

Safety in the Building

Student safety is our top priority and special precautions are taken in the Early Childhood Center to ensure the health and safety of all children.

In the classroom:

- Unsafe objects and supplies are kept in cabinets and out of reach.
- Toys and materials are inspected frequently for broken pieces.
- An adult is always present when children are in the hallway, going to the bathroom, and walking to and from the bus or car rider lines.
- All District 158 staff members are required to wear ID badges. Substitutes are required to display a badge or lanyard identifying them as a substitute.
- ALL visitors are required to sign in and out of the building in the Main Office and are required to wear a visitor’s tag.

Gross motor time:

- The ECC playground is fenced in for the safety of students.
- At least one teacher and one assistant will be with the children on the playground or in the Motor Room at all times. Frequently, two classes will use the playground or Motor Room at the same time and additional staff will be supervising the children.
- The staff will review the expectations for the playground and Motor Room with students prior to use and will utilize a variety of strategies to assist the children in remaining safe at all times.

School Safety Drill Plan

In accordance with the School Safety Drill Act (105 ILCS 128/) and Board Policy 4:170, *Safety*, the following drills will be conducted:

1. Three school evacuation drills;
2. Two bus evacuation drills;
3. One severe weather/shelter in place drill;
4. One law enforcement lockdown drill.

Emergency drill procedures will be discussed with all students by their classroom teachers prior to each drill. If a parent would like to opt their child out of participating in the law enforcement lockdown drill, they must request this in writing to the Building Principal each school year.

School Bus Safety

All students shall be provided with instruction in safe bus riding practices at least twice during each school year. The instruction shall include two emergency bus evacuation drills, as well as the operation and use of the emergency door, windows (as a means of escape), and fire extinguisher.

Student Drop-Off and Pick-Up

Parents must have a car rider number tag to use the drop-off and pick-up car rider lane. Number tags are provided for those who will be regular car riders. On the occasion when a student who normally rides the bus needs to be a car rider, parents **MUST** PARK in the parking lot and sign the child in or out via the Main Office.

Drop-Off and Pick-Up Times

- **Session 1** – Drop-Off: 7:40 am to 7:50 am | Pick-Up: 10:10 am to 10:20 am
- **Session 2** – Drop-Off: 10:55 am to 11:05 am | Pick-Up: 1:25 pm to 1:35 pm

Drop-Off and Pick-Up Procedures

1. Register as a car rider by filling out the Drop-Off/Pick-Up Information form and obtain a family number. You will receive a number tag for your car and the same number will be placed on your child's backpack.
2. When picking up your child, hang the number tag from the rearview mirror so that it can be seen by the supervisors. In most cases, only one number tag per family will be issued. If an authorized person on your list would like to pick up your child curbside, you will need to make sure they have the issued number tag.
3. Students will not be released curbside if a number card/tag is not present in the vehicle. Either, the driver will be asked to verify pick up with an ID or will need to park in the parking lot and come into the building to sign out the student.

Rules for a Safe and Efficient Student Drop-Off and Pick-Up

- Drop-off takes place in front of the entrance to the building. Please watch the supervisors and pull forward until you are motioned to stop.
- All cars should be flowing in a single file line along the curb, no double parking.
- For safety and courtesy to other parents and students, parents cannot stop their car in the drop-off line and let their child out or get out of their vehicle and walk the child to the supervisors.
- Please unbuckle children from their car seat only after your vehicle has come to a complete stop and a supervisor is approaching your vehicle.
- You **MUST** be in the drop-off area and wait in your car until a supervisor comes to your car to escort your child into the building.

Vehicles **MAY NOT** be parked or located in the bus lanes or fire lanes at **ANY TIME**.
Vehicles located in these locations may be ticketed and/or towed by the police.

SPECIAL EDUCATION

Education of Children with Disabilities

The District shall provide a free appropriate public education in the least restrictive environment and any necessary related services to all students with disabilities enrolled in District 158, as required by the Individuals with Disabilities Education Act (IDEA). The term “children with disabilities” means children between ages 3 and the day before their 22nd birthday for whom it is determined that special education services are needed, except those children with disabilities who turn 22 years of age during the school year are eligible for special education services through the end of the school year. It is the intent of the school to ensure that students with disabilities are identified, evaluated and provided with appropriate educational services.

Once a student is determined to have a disability under IDEA, an Individualized Education Program (IEP) will be developed by a team of educators along with parents.

For additional information, please contact the Special Services Department at (847) 659-6158.

Services and Programs

District 158 provides a continuum of services to students with IEPs. Every effort is made to educate the student within their home school and classroom environment. The Individualized Education Program team, including the student’s parent(s) and educators, meets annually to determine the needs of the student and the least restrictive environment. Students who move into District 158 with an IEP will be provided with the services listed in the Individualized Education Program plan.

Students with IEPs are afforded the safeguards and rights described in the parent guide, [*Educational Rights and Responsibilities: Understanding Special Education in Illinois*](#), available on the Illinois State Board of Education (ISBE) website.

Students with disabilities who do not qualify for an Individualized Education Program, as required by the federal Individuals with Disabilities Education Act and implementing provisions of this Illinois law, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973 if the student: (1) has a physical or mental impairment that substantially limits one or more major life activities, (2) has a record of a physical or mental impairment, or (3) is regarded as having a physical or mental impairment.

Discipline of Special Education Students

The District will comply with the Individuals With Disabilities Education Improvement Act of 2004 and the Illinois State Board of Education’s Special Education rules when disciplining special education students. However, all students must conform to the Student Behavior policies as outlined in this Handbook.

Additional information, [including laws, regulations, and guidance](#), is available at the Illinois State Board of Education (ISBE) website.

Behavioral Interventions

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for children with disabilities.

Physical Restraint, Time Out, and Isolated Time Out (RTO)

Isolated time out, time out, and physical restraint shall only be used if the student’s behavior presents an imminent danger of serious physical harm to the student or others, and other less restrictive and intrusive measures were tried and proven ineffective in stopping it. The school may not use isolated time out, time out, or physical restraint as discipline or punishment, convenience for staff, retaliation, as a substitute for appropriate educational or behavioral support, a routine safety matter, or to prevent property damage in the absence of imminent danger of serious physical harm to the student or others. The use of prone restraint is prohibited.

Additional information for parents, including [*The Physical Restraint, Time Out, and Isolated Time Out Bill of Rights*](#), is available on the Illinois State Board of Education (ISBE) [website](#).

TRANSPORTATION

School bus transportation is an important part of each student's education experience and the Transportation Department will assist in making this experience as pleasant as possible.

It is the responsibility of the Transportation Department to design and implement routes and stops according to guidelines set forth by the Illinois State Board of Education and Illinois State Law.

Decisions regarding special education students will take into account related disabilities and the student's IEP pertaining to transportation.

Transportation Department Staff

The District 158 Transportation Department staff are dedicated to the service, safety and well-being of all students that it transports. Bus drivers are responsible for the students riding their buses just as teachers are responsible for the students in their classrooms. The bus driver is required to report students who violate the bus rules of proper behavior and conduct while riding the bus.

Bus Conduct, Expectations, and Discipline

Every student has a right to a safe and enjoyable ride to and from school free from intimidation, threat or harassment. Bus drivers are responsible for the lives of all students on their bus and will not be required to transport any student who is a disciplinary problem. The school discipline system applies to students at the bus stop, bus loading and unloading locations, on the ride, and throughout the school day. If a student's behavior is not acceptable, the right of riding the bus may be suspended and the student may face further consequences.

Bus Expectations

- Be on time
- Walk to and away from the bus
- Find a seat immediately and remain seated
- Maintain an appropriate noise level and use appropriate language
- Keep your hands, arms, feet, and all objects inside the bus and to yourself
- Follow directions from the bus driver and other adults
- Help keep the bus clean

Bus Discipline

The bus is an extension of the school and classroom in which all school rules, regulations and discipline policies and procedures apply.

- Transportation is a right that can be suspended.
- Each student is responsible for their behavior while on the bus and in the school bus loading and unloading areas.
- Unacceptable conduct on the school bus or at a school stop may result in a warning, detention, suspension or expulsion from school.

Should a student's bus riding privilege be suspended, it then becomes the responsibility of the parent to transport the student. It is the responsibility of the parent to notify the school that the student does not have alternate transportation.

Bus Routes

Students are required to ride their designated routes and get on and off at their designated stops. Students must be picked-up and dropped-off at the same location Monday through Friday. Transportation needs to keep track

of students riding their designated routes in the event of an emergency (i.e. bus collision, lost or missing students, etc.). Due to the number of students being transported, it is not feasible to let students ride home on routes other than their designated routes.

In the event of an emergency, the parent must call the Transportation Department at (847) 659-3000 to request a change in their child's designated route. Requests for changes will be accepted or denied based on the number of students assigned to a particular bus route. If the request is approved, the Transportation Department will notify the school of the change.

Bus Stops

Students need to be at their designated bus stop five minutes prior to the scheduled bus arrival time. The private property of those living near the bus stop is to be respected. Bus drivers are required to report any student who is consistently tardy for their bus, as corrective action may be necessary. It is important that buses maintain a timely schedule.

In areas where sidewalks are provided, students need to stand a safe distance on the sidewalk away from the curb and street. In areas where sidewalks are not provided, students need to stay off the road and out of harm's way of motorists using the roadway. The private property of those living near the bus stop is to be respected.

Students waiting for the bus are not to approach the bus until the bus has come to a complete stop and the driver has opened the door. Students are to get on the bus in single file in an orderly fashion without pushing and shoving, and find a seat immediately.

When students need to cross a road before boarding or after exiting the bus, they must wait on the curb or edge of the roadway until the driver signals the student giving them permission to cross the road. Students should cross the road far enough in front of the bus (approximately 10 feet) so the driver can see the student and the student can see the driver.

Not following these guidelines is a serious safety offense and drivers have been directed to submit bus conduct reports of students who do not follow these guidelines.

Danger Zones Surrounding School Buses

Statistically school bus transportation is the safest means of transportation that a student can take to and from school. A student has a 150 times greater risk of being in an accident to and from school via another vehicle other than a school bus.

The area within 10 feet in the front, sides, and rear of the bus are known as the DANGER ZONE. As such, precautionary guidelines must be adhered to when students are loading and unloading.

At no time should a student walk directly alongside the bus nor should a student cross the road behind the bus. Students need to remain at least 10 feet away from the bus before loading. When unloading, students must exit and immediately step at least 10 feet away from the bus and proceed immediately to their destination.

If a student drops an item in front of, alongside of, or at the rear of the bus, the student should not retrieve the item until notifying the driver. The driver will then decide if it is safe for the student to retrieve the dropped item.

Not following these guidelines is a serious safety offense and drivers have been directed to submit bus conduct reports for students not following these guidelines.

Electronic Recordings on School Buses

The Board of Education has adopted a policy authorizing the use of electronic recordings on school buses when transportation is provided for a school activity.

Electronic video and audio recordings are viewed to investigate incidents reported by a bus driver, administrator, CRO, supervisor, student, or other person. They are also viewed at random.

Viewing and/or listening to electronic video and/or audio recordings is limited to CROs and District personnel. These individuals must have (1) a law enforcement, security, or safety reason, or (2) a need to investigate and/or monitor student or driver conduct. A written log will be kept of those individuals viewing the recording stating the time, name of individual viewing, and date the recording was viewed.

The content of the recordings are student records and are subject to District policies and procedures concerning school student records. If the content of a recording becomes the subject of a student disciplinary hearing, it will be treated like other evidence in the proceeding.

Transportation of Students with Disabilities

All students with an IEP are provided transportation entirely at District expense. The mode of transportation will be determined via the IEP conference. A parent wishing to waive the right to District approved transportation and desiring reimbursement for such services must seek reimbursement through the State of Illinois. District 158 will not provide reimbursement for expenses incurred by the parent.
