

Huntley 158 Education Foundation Presents the 6th Annual
Huntley Hootenanny
Glow 5K
September 9, 2023 at 7:15PM

Dear Partner in Education,

After a great year, Huntley 158 Education Foundation will be hosting our 6th annual 5K run/walk in the heart of downtown Huntley on September 9, 2023. The students, staff and community are very much looking forward to this great event!

The Huntley Hootenanny celebrates the farm roots of Huntley and provides an exciting atmosphere to engage the community. We are excited to have our community gather again this September for some great fun in support of an important cause. In 2022 we added decorations on a new course, had over 3,500 participants in the square and had a hootenanny of a time!! This year we expect even similar numbers with an anticipated 3,500 registered Hootenanners! **Our goal and mission, with your partnership, is to raise as many funds as possible for post high school student scholarships and to fill classroom initiative grants.**

As the lowest operating cost per pupil district in the Chicago area, we ask that you consider a sponsorship or in-kind donation to help us make this the best event possible. Your monetary donation will be recognized at our event in several ways. As a sponsor your name will be placed on materials such as banners, t-shirts, recognized on websites/social media and announced at the event. For details regarding Sponsorship Levels, please see the attached. In-kind donations of services, merchandise or gift certificates that can be used at the event, given as door prizes, or placed in participant's goody bags are also greatly appreciated.

We hope that we can count on you to help support this Huntley 158 Education Foundation event and we look forward to seeing you at the fun filled Huntley Hootenanny. If you have any questions, please feel free to reach out to us.

Thank you in advance for your consideration!

IN-KIND Donations are also accepted and encouraged

The Foundation gratefully accepts any services, merchandise or gift certificates that can be used at the event or given as door prizes. If your COMPANY would like to donate a product or service(s), please contact Angela Kossaris.
